**FINAL EXAM SCHEDULE CONFLICTS**

If you have an exam schedule conflict (two exams on the same DAY at the same TIME), you must submit a **Final Exam Conflict Form** available at [www.mcgill.ca/summer/forms](http://www.mcgill.ca/summer/forms) to McGill Summer Studies **NO LATER than 5 working days** prior to the exam. Conflict exams are normally written on the same day in a room set aside for such exams.

**REQUEST FOR DEFERRAL**

Students who have been unable to write one or more examinations for serious reasons such as illness or family affliction may request permission of the Associate Dean of the Faculty offering the course to defer their exam. Students should be aware that deferred examinations are granted only for compelling reasons, verified and accepted by the Office of the Associate Dean. Supporting evidence such as an appropriate medical report is required. The Student Affairs Office must be informed of the reasons for absences from final examinations normally no later than one week after the date of the final examination that was missed. You can find a complete list of Student Affairs Offices at [www.mcgill.ca/student-records/advising/saos/](http://www.mcgill.ca/student-records/advising/saos/) .

**Vacation plans do NOT constitute grounds for re-scheduling or deferring a final examination.**
