TEACHING METHODS:

Class time will be devoted to lectures and problem solving. During problem solving sessions, students are encouraged to work in pairs. Bring your book to class: problems taken from the book will be used during problem solving sessions. Following these sessions a short quiz will be given to reinforce learning. A calculator which has no text storage or graphing capabilities will be allowed during examinations, so please bring your own calculator to each class. You will not be allowed to use your neighbour's calculator.

EVALUATION:

| | | |
|--------------------|-----|---|
| Short quizzes: | 5% | |
| Tests: | 45% | Feb. 22 (Friday), March 28 (Friday), April 25 (Friday). |
| Final Examination: | 50% | (Final Examination Period: May 14 to May 26) |

GRADING POLICY:

The grade shall consist of the greater of
(A) Term work for 50% and Final Exam for 50%.
OR
(B) Final exam for 100%.

Note that to qualify for (B) the student must have obtained at least 50% of the term mark and must have written more than 50% of the class tests and quizzes.

ATTENDANCE AND CONDUCT POLICY:

Students are expected to come on time to all classes. Attendance will be taken at the beginning of the class. In case of tardiness, you may not be accepted in class.

It is expected that no student leave a class without prior permission. However, if necessary, please leave the class quietly and return to class in the same fashion.

Make a habit of going to the washrooms before classes or during the breaks.

Please put away cell phones and music players.

Those who disturb the peace and quiet of the class will be asked to change seat or leave forthwith. Repeat offenders will be reported to the administration.

There will not be any make up quizzes in case of absence. In the case of an absence during a test, a made up test will be provided if a medical note (or equally valid documentation) signed and indicating the date of absence is presented promptly.

Students must inform themselves on the cheating and plagiarism policies of the College.
